

AFFILIATE PROGRAM

No Cost No Hassle
We take care of everything.

Affiliate Program

Do you provide solutions for the manufacturing industry?

Do your clients respond to faster, simpler, and easier ways of CNC programming?

If so then BobCAD-CAM is a great way to leverage the power of manufacturing on one CD.

How it Works

Provide your clients with an affiliate coupon or web link and we will take care of everything else!

Your clients will talk with your assigned account manager who will provide special training, support, and prices.

You will receive rewards for every client you refer that purchases.
